

# BECOME A MARC MEMBER

## Why become a member-(check all that apply)

- because good stuff happens there and I don't want it to disappear
- because I like to give money to places & groups I care about
- because I more than make up my membership fee when I take classes
- because it makes me feel like a good person
- because I go there a lot and want to help support the MARC financially
- because I want my elected representatives to know the MARC is important to me

BUT seriously folks ... Your contribution helps us meet the expenses of running the MARC. It is also a signal of your support to our elected representatives. A healthy membership gives us some leverage when we say "the community loves us!"

Individual memberships are \$25 a year and family membership are \$50 a year. You can purchase a value-added membership for \$40 for individual and \$80.00 family. This membership includes all of the benefits of the regular membership PLUS 10% off any purchase at the Friends Art Supply & Gift Store AND 20% off your purchases at Back of Beyond Books.
